

August 29, 2013

We live at 210 Bay View Street year round. We are deeply concerned about the possibility of a spot zoning change at Fox Hill because there are 80 other properties which meet the zoning requirement already. All a developer would need is the license to start work. Changing the zoning and putting a nonprofit at Fox Hill would endanger all other properties in the Coastal Residential area as well as affect the town's real estate revenue.
