

August 28, 2013

Greetings!

My vote is to make no exceptions, or changes to allow something to happen outside our current zoning. That would be a real mistake and would open the Town to a flood of zoning change requests.

Some time in the future it may be a good idea to have a complete review of all zoning to ensure it is consistent with the development and planning interests of the community.

Thanks for all your good work. It is appreciated!
